

**Team:** Team 3

**Inject Number:** 11

**Inject Duration:** 45 Minutes

**Inject Start Date/Time:** Sat, 04 Mar 2017 15:48:49 +0000

**From:** IT Director

**To:** Security Team

**Subject:** 001 User Credential Audit

The CSIO has gotten information that we may have had a breach and that backdoor user accounts have been created. Review all access credentials and evaluate if they are legitimate. Develop a memo that documents all the devices evaluated and if you found unauthorized accounts. What criteria did you use to evaluate this ?

Thank you.
