**Subject:** INCIDENT REPORTING

If you suspect an incursion by the Red Team, please submit an Incident Report with as much detail as possible. Up to 50% of the points lost due to Red Team activity can be recouped through diligent, thorough, and complete reporting of known and suspected attacks. Please submit one report for each incident; be as detailed as possible.

Include the following information:

- \* date/time the attack started (if known)
- \* date/time the attack was discovered
- \* attacker source address
- \* target system name / address
- \* target port / service
- \* type of attack (virus, hacking, DoS, etc)
- \* result of attack
- \* vulnerability that allowed the attack
- \* how discovered
- \* how contained
- \* remediation actions / controls
- \* result of remediation

Thank you.
