**Inject Duration:** 45 Minutes

**Inject Start Date/Time:** Sat, 04 Mar 2017 19:25:47 +0000

**From:** IT Director

**To:** To Infrastructure Team

**Subject:** 003 QoS Marking of Traffic

Everyone is interested Opening Day of the Baseball season, and will likely be streaming the game. Traffic inbound to our DMZ servers is very important. Develop a FW QoS policy to insure that our DMZ traffic always receives at least 50% of the bandwidth.

Respond with a memo that contains screen copies of the policy page that documents this.

Thank you.

*IT Director*
