Subject: INCIDENT REPORTING

If you suspect an incursion by the Red Team, please submit an Incident Report with as much detail as possible. Up to 50% of the points lost due to Red Team activity can be recouped through diligent, thorough, and complete reporting of known and suspected attacks. Please submit one report for each incident; be as detailed as possible.

Include the following information:

- * date/time the attack started (if known)
- * date/time the attack was discovered
- * attacker source address
- * target system name / address
- * target port / service
- * type of attack (virus, hacking, DoS, etc)
- * result of attack
- * vulnerability that allowed the attack
- * how discovered
- * how contained
- * remediation actions / controls
- * result of remediation

Thank you.
