

**Team:** Team 3

**Inject Number:** 35

**Inject Duration:** 30 Minutes

**Inject Start Date/Time:** Sat, 04 Mar 2017 19:45:40 +0000

**From:** CSIO

**To:** Security Team

**Subject:** 003 EMERGENCY Vulnerability Scan

The FBI has notified us that attackers appear to be exploiting unused services that exposed to the Internet on our network. Do an NMAP scan to validate what services we do have open, and if they are all legitimate and to what application/function they provide. Are they needed ?

Respond with a memo that documents your findings, and screenshots to validate you did the scan correctly,

Thank you.
